Pupil Name:

Class:

In this unit, you participated in a variety of mime activities. You also worked in pairs and groups, and developed a Mime base on "Bad day at Cactus Creek".

It is now time to look back over your work during this unit, and to decide on **TWO** things you were good at and **ONE** you would like to improve on:

(e.g. I remembered to use S.P.E.C.S.; I used suitable facial expressions to show how my character was feeling etc.)

Lastly, imagine that your teacher has been asked to write a short report about you for this unit. What do you think your teacher would say your strengths are, and what areas could your teacher ask you to improve on?
