S2 Theatrical Costume Research Homework task.

As you develop your ideas you must also take into account of cultural and social influences, as these will have an effect on your costume designs. You may have decided to look at a theme which is based round a different time period, a different location or an issue we may not have looked at before. In order to improve your understanding of your theme you must undertake some research at home. Your task is to find items of interest related to your theme/time period, anything you can gather and make into a research folio. You could even interview family members if they knew about the theme/time period.

You will have a week to make your research folio.

Aim to find a minimum of 5 items.
